Introduction to Service Offerings

For your convenience, the funeral home has constructed a variety of service packages that reflect the most popular service styles that our client families have historically selected. The service packages have been constructed from this price list and include some discretionary items that may be declined.

Examples of declinable items are embalming, estate settlement papers, custom printing, limousines, and flower vehicles.

Please note:

- Declinable items are indicated with an asterisk (*).
- Embalming is not required by law; however, it is an important consideration as it allows us to provide you with the best possible experience for viewing your loved one at the funeral home during your private family reflection or visitation.
- Only one decedent care fee will be applicable and included in the total service fee.
- Merchandise, disbursements, and HST are additional to all service and funeral home fees.

- Newspaper Notice
- Cremation Fee
- Cemetery Opening / Closing
- Coroners Certificate
- Coroners Fee
- Clergy or Celebrant Honorarium
- Police Escort
- Soloist Honorarium
- Monument Inscription
- Piper Honorarium
- Provincial Registration Permit
- Cemetery Canopy / Tent
- Organist Honorarium

Payment Terms at Time of Need

Cash, cheque, credit, debit, and online banking payment options are accepted methods of payment. Taxes as applicable.

Pre-Planning Payment Options

Please speak with your Funeral Director about funding payment and financing options, i.e. Trust or Insurance when arranging a funeral in advance of need. Cash, cheque, credit, and debit are accepted methods of payment. Taxes as applicable. A finance charge will only be applicable when a purchaser opts for an installment payment plan.
